Want to have a go at SCUBA diving?

Join us for a 'Try Dive' session

We offer SCUBA 'Come and Try It' (CATI) sessions at Totnes Pool on designated Wednesday evenings throughout the year. If you really enjoy it, you could join our January Ocean Diver course and learn to dive with us.

Our CATI sessions are open to 10-year-olds and upwards, who are generally fit and healthy and are able to swim 100 metres freestyle, without the use of buoyancy aids. All try dives are supervised by BSAC qualified instructors.

We charge £15 for a try dive and can provide a voucher should you wish to offer the experience as a gift. You will need to book in advance.

Already a diver and need a pool refresher?

If you are already a diver but have been out of the water for a while, we can offer a pool refresher, on a similar basis to our try dives – see above.

If you would like to find out more about Totnes SAC, come and meet us on Wednesday evenings when we meet at Meadowbrook Community Centre, Dartington from about 8.30 pm. New members are always welcome, whatever agency you trained with.

If you are interested in a try dive or a pool refresher email us at:
